**Application No.: 10/561,443** 

**REMARKS** 

Claims 1-14 are all the claims pending in the application. New claims 13 and 14 have

been added.

Response to Election of Species

In response to the Election of Species Requirement, dated August 3, 2007, Applicant

elects Species V, Fig. 11 for examination on the merits. Claims 1, 2, 5, 6, and 8, are readable

thereon.

Applicant submits that if any of the elected claims is found to be allowable, claims

dependent therefrom should similarly be considered allowable in the same application.

Applicant reserves the right to file a Divisional Application directed to non-elected

claims 3, 4, 7, and 9-14.

**Drawings** 

The Examiner objected to the drawings as because reference numerals were used to

identify features in Figs. 1 & 2, and then reused to identify modifications of those features in

Figs. 3+. Applicant has amended the drawings, as noted above, in order to alleviate this

objection.

**Specification** 

Applicant has amended the specification in order to make it consistent with the above-

noted changes to the reference numerals in the drawings.

**Conclusion** 

In view of the above, reconsideration and allowance of this application are now believed

to be in order, and such actions are hereby solicited. If any points remain in issue which the

Examiner feels may be best resolved through a personal or telephone interview, the Examiner is

kindly requested to contact the undersigned at the telephone number listed below.
